of SIDMOUTH

## PRESS RELEASE

January 27<sup>th</sup> 2010

### Fields annual fundraising for DAAT amounts to £961

Throughout 2009, the staff of Fields of Sidmouth and Monday's Child have been raising money for their Charity of the Year, the Devon Air Ambulance Trust. A presentation was made on Tuesday night to the DAAT during Fields' Annual Awards Ceremony, which was attended by Debbie Collingswood and Steve Tupper from the Trust.

Many events have taken place over the year, including a quiz night, raffles, sponsored slim, cake sales, recycling toner cartridges, a corporate Christmas card, gift wrapping service and guess the amount in the "Coppers for Choppers" jar!

Trevor Roberts, Managing Director for Fields commented, "The staff have done a tremendous job this year, in raising a significant amount for a very worthwhile charity, despite the economic climate. It is a charity we all fully support, yet hope we never have a need for."
