Fields Coffee Shop becomes Member of Taste of the West

Fields Coffee Shop is delighted to have been accepted as a member of Taste of the West.

“Using local and home-made produce wherever possible, it is important to show support for our suppliers and commitment to high quality standards in our offering and service”, said Paul Grainger, Coffee Shop Manager.

In anticipation of being accepted, the Coffee Shop ran a free draw throughout January for anyone who visited in the month, for a hamper of locally sourced produce. The lucky winner was Mrs Bettridge from Sidmouth, and she is pictured here with Paul and some of his staff, collecting her prize.

The hamper contained a selection of chocolates, savoury and sweet biscuits, chutney, mustard, jam, pate, mulled pears, honey, Elderberry Wine, fruit cake and a treacle tart.
